

Bonaire

December 27 - January 5, 2008

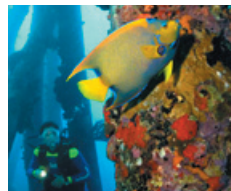

UNDERSEAS SCUBA CENTER visits the colorful and charming Divi Flamingo Beach Resort in Bonaire.

Surrounded by over 50 spectacular dive sites, Bonaire is known for awe-inspiring underwater scenery. The Divi Flamingo Beach Resort mirrors the underwater rainbow of Bonaire's marine life. Bright sunshine, hues of pink and ocean blue greet guests at a Divi that defines itself by relaxation and world-class diving. All the waters and reefs off Bonaire have been designated

as a national park and are carefully protected from damaging boating activity by strictly enforced government regulations. A ban on spearfishing has made the diverse and abundant marine life friendly and completely at ease among divers.

Shore divers and snorkelers delight in the house reef, which is accessible directly from the Flamingo Beach. The Divi Flamingo Beach Resort leads diving adventures with Divi Dive Bonaire which provides five custom dive boats and an experienced dive crew.

Divi Flamingo encompasses 129 casual guestrooms

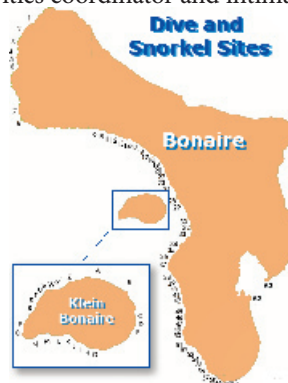

and studios. Vibrant guestrooms are oceanfront or surrounded by tropical gardens. Studios are pool view and offer fully equipped kitchens and private porches.

Guests enjoy two freshwater pools, water sports rental, a full-service activities coordinator and intimate casino.

Dining options at Divi Flamingo include the open-air Calabas Restaurant, a perfect spot for breakfast by the beach. The Chibi Chibi restaurant, extending on piers over the water, serves inventive lunches and gourmet dinners while guests soak up stunning ocean views.

Explore pristine reefs in a vast clear sea. Find a quiet oasis. Sample a unique culture full of hidden treasure. BONAIRE - DIVI FLAMINGO
